CENTRAL RICHMOND'S GRANDEST URBAN COMMUNITY

*An intimate urban enclave
surrounded by the cosmopolitan
glamour of a world-class city.*

*Future Lansdowne
Redevelopment*

GRAND SCALE

Atmosphere is a grand scale neighbourhood occupying a full city block, and the gateway to Richmond's modern downtown core. This innovative masterplan takes an inspired

approach to community, weaving residential and retail with inspired workplaces and imaginative play spaces.

The seventh tower's offices and business startups are home to cool companies, innovative ideas, and creative minds.

YOUR CITY WITHIN THE CITY

Innovative in every way, Atmosphere is Richmond's new "it" neighbourhood. Gateway to the downtown core and steps from Canada Line, its progressive design puts the best of life directly at your doorstep. The vibrant courtyard, landscaped skywalks, and richly imagined amenities make this the Lower Mainland's most exciting place to live, work, play, shop, and meet friends.

Steps from Lansdowne Station, Atmosphere is incredibly convenient for getting around. Travel to points all over Metro Vancouver with speed and ease.

A VISIONARY COLLABORATION

SOUTH STREET DEVELOPMENT

South Street Development Group was established in 1983 with a vision to create a company that had a positive impact on Metro Vancouver communities for generations to come. South Street prides itself on being a local, family-led company that stands as a trusted and experienced pillar in the community. They have a deep understanding of the needs and interests of local residents and are committed to delivering projects that are based on their values of community, quality, integrity, sustainability and innovative design.

British Columbia is one of the most pristine and beautiful places in the world and they believe that their developments should complement and enhance the experience it offers. They work with leading architects, designers, engineers and contractors who share their values to create compelling residential and commercial projects. They specialize in challenging projects that require just the right amount of balance between experience and creativity.

Driven by community. Defined by quality. Built by Family.

METRO-CAN CONSTRUCTION

Metro-Can Construction is a well-established firm with roots back to 1964. It is Metro-Can's philosophy to treat every client and employee with respect. They are proud to have retained many valued employees through decades of employment and built solid relationships that translate into repeat business. They continue to look forward to building on the talent of their people and client relationships.

With over 300 projects completed, Metro-Can have helped shape the skyline of Vancouver. They build office towers, medical centres, skyscrapers that reach into the west coast air and homes for hard working people and families. With experience in all segments of the market including commercial, hi-rise and low rise residential, recreational projects, light and heavy industrial projects, you can trust in their people to deliver and trust in Metro-Can to "Make it Happen".

GBL ARCHITECTS

GBL Architects Inc. is a Vancouver based Architectural firm with extensive experience in the provision of leading edge residential and mixed-use buildings, as well as complex master planning and infrastructure development. They have an established track record of providing programming, planning and design services, construction documentation, and construction supervision on some of the most complex projects in Canada.

CRISTINA OBERTI INTERIOR DESIGN

Cristina Oberti Interior Design Inc. is an interior design firm that specializes in multi-unit residential developments and commercial designs. Whether the project is a modern hi-rise, a corporate office or marketing centre, they offer their clients leading industry experience, extensive knowledge and systematic design process. Believing that each project has its own story, they create interiors that convey a unique, coherent yet stylish message.

MAGNUM PROJECTS MARKETING & SALES
